

IMPORTANT HOLIDAY SCHEDULE

EAB 2016 Holiday Schedule

As the holiday season is approaching, we want to make you aware of our lab and Client Services department schedules to ensure all samples can be received in time to be processed. We are providing you with the dates that our lab will be closed as well as the dates that you should NOT do blood draws for **LRA** by **ELISA/ACT** tests. Following this schedule is important because blood drawn on the days indicated (“NO” days) will be more than 3 days old when received, and therefore cannot be read.

Please post or share this information with any staff member involved in scheduling blood draws for your patients.

For the Thanksgiving holiday, our Client Services department and our lab will be **closed** on **Thursday 11/24/2016 and Friday 11/25/2016**.

Lab only will be open on Saturday 11/26/2016 to receive blood samples.

Please **do not draw any blood samples Wednesday 11/23/2016 or Thursday 11/24/2016**.
