

# IMPORTANT HOLIDAY SCHEDULE

## EAB 2018 Holiday Schedule

As the holiday season is approaching, we want to make you aware of our Lab and Client Services department schedules to ensure all samples can be received in time to be processed. We are providing you with the dates that our lab will be closed as well as the dates that you should NOT do blood draws for **LRA** by **ELISA/ACT** tests. Following this schedule is important because blood drawn on the days indicated (“NO” days) will be more than 3 days old when received, and therefore cannot be processed.

Please post or share this information with any staff member involved in scheduling blood draws for your patients.

For the Thanksgiving holiday, our Client Services department & Lab will be **closed** on

**Thursday 11/22/2018**      **Friday 11/23/2018.**

**Lab only** will be open on **Saturday 11/24/2018** to receive blood samples.

Please **do not draw any blood samples Wednesday 11/21/2018 or Thursday 11/22/2018.**

**PLEASE NOTE:** Due to the large volumes of packages shipped through UPS the week after Thanksgiving, we recommend allowing an extra day of shipping time for samples to reach us during that week.
